| *Mar 27 - Apr 7 | CAASPP Testing          |

### **MESSAGE FROM MR. RODGERS & MRS. STEELE**

Happy Friday, CK Price Families!

We've just completed another busy week at CK Price. Last Friday ended with our student/staff basketball game. With a one point victory, our student athletes pulled off the first student win in quite some time! On Tuesday and Thursday local artist Dylan Tellesen worked with our art classes on a project dealing with prominent women in history. We hope you check out what they have created at our upcoming Open House on Tuesday, March 21st from 5:00 to 7:00 pm.

In addition to the art display, our music department will be performing, there will be a poetry reading and the 8th grade pulled pork sandwich fundraiser will be going on (pre-order with your 8th grader, tickets are on sale now).

We also have more sports seasons starting here. On Thursday our 6th grade basketball teams played their first home games against Willows. Track and Field will have their first event, time trials, in Paradise on April 20th. Come join us for a game; it is always fun to get out and support our student athletes.

As spring approaches and the weather gets nicer, let's continue to work together to keep students motivated and working hard. If you feel that your child is struggling with school, please reach out to us. We are always here to address any concerns.

As always, thank you for your continued support and helping us make CK Price the best school it can be.
